Puro Caff® Espresso Machine Cleaning Tablets

For Superautomatic & Automated Espresso Machines:

Carefully follow specific manufacturers' cleaning directions.

For Semi-Automatic & Automatic Espresso Machines:

1. Remove coffee filter insert from portafilter handle and replace with blank filter.
2. Place 1 Puro Caff® Espresso Machine Cleaning Tablet into portafilter handle and insert handle into brew group.
3. Start brewing cycle and let run for 15 seconds to dissolve tablet.
4. Stop brewing cycle and wait 10 seconds.
5. Start & stop brewing cycle 10 additional times, running for 5 seconds and stopping for 10 seconds.
6. Remove portafilter handle, turn brewing cycle on and rinse portafilter well by holding under stream for 10 seconds.
7. Re-insert handle back into brewing group. Start and stop brewing cycle at least 10 times, running for 5 seconds, stopping for 1 second. This ensures complete rinsing.
8. Replace blank filter with coffee filter, brew and discard one espresso from each group.
